Overview of Travel and Objectives

Federal, Provincial and Territorial Ministers Responsible for Internal Trade met in Toronto to review and advance negotiations to renew the Agreement on Internal Trade. Minister Responsible for Trade, Jeremy Harrison, used the opportunity to reaffirm Saskatchewan's interest in an ambitious and comprehensive new agreement governing the movement of goods, services, investment and people in Canada.

Meeting Objectives:

- Provide necessary direction on a narrow set of critical outstanding issues to chief negotiators to help bring the negotiations to a conclusion prior to the July 2016 meeting of Canada's Premiers.
- Exhibit continued leadership in pursuit of an internal trade agreement that eliminates remaining barriers to trade in Canada and allows businesses to compete openly and freely across the country.
