Certification/Consent of Non-Resident Borrower

I understand that if the Applicant is approved for funding under the Seniors Education Property Tax Deferral Program (the Program), as a registered owner of the property, I will be required to sign any loan documents provided by SHC, including a mortgage of my interest in the property in favour of SHC for the amount of the program loan.

I also understand that the Applicant's enrollment in the Program does not obligate SHC to advance funds to the Applicant. Further, the amount of any funds advanced by SHC to the Applicant may change from year to year, and may be any amount determined by SHC, up to but not greater than the amount of the education portion of the property taxes for the property for that calendar year.

I acknowledge that the property taxes for the property must be paid in full, regardless of whether or not the Applicant's application to this program has been processed and a loan has been advanced.

I hereby consent to the collection, use and disclosure by SHC, and any Government of Saskatchewan employee who provides services to SHC, of my personal information that is requested on this Non-Resident Borrower form or that is otherwise reasonably required by SHC, for the following purposes:

- To verify any information collected by SHC for the purpose of this application or any participation by the Applicant(s) in the Program;
- To administer the Program should the Applicant(s) qualify;
- To collect any amount owing to SHC pursuant to the Program;
- For research purposes to assess the effectiveness of the Program;
- For audit and evaluation purposes to Ministries of the Government of Saskatchewan, including but not limited to the Ministry of Finance and the Ministry of Social Services.

I am providing this consent voluntarily, in support of this application by the Applicant(s), to participate in the Program.

I understand that:

- This consent will continue for two (2) years following the file closure with this program, unless my consent is withdrawn earlier. My consent may be withdrawn at any time by providing written notice of withdrawal to SHC at the address provided; the withdrawal of consent will be effective on the date it is received by SHC. Withdrawal of my consent may prevent the Applicant(s) from continuing to participate in the Program.
- If I withdraw my consent, SHC and any Government of Saskatchewan employees who provide services to SHC will no longer collect personal information or use or disclose the information already collected pursuant to this consent. They may continue to collect, use and disclose personal information if they are authorized to do so by law without my consent.
- The information collected by SHC related to my participation in the Program, and any loan provided by SHC pursuant to the Program, will be retained and disposed of in accordance with The Archives and Public Records Management Act of the Province of Saskatchewan.

I hereby certify that all the information contained in this form is true, complete, and correct.
