How to Use the Directory of Office Key

This directory identifies which Service Centre serves each Saskatchewan community.

Simply:

1. Look up the community in question (starting on page 6) and identify the office code for that community.
2. Access an on-line map by clicking on the applicable office hyperlink code below. (You can also refer to the list of offices, addresses and telephone numbers on page 5.)
3. The public can write or telephone their local office.
