

Industry Tip

Tenure Acquisition Reports Unavailable

Date	Module/Application/Functionality	Notes
August 9, 2017	Tenure Acquisition; Reports	Initial release

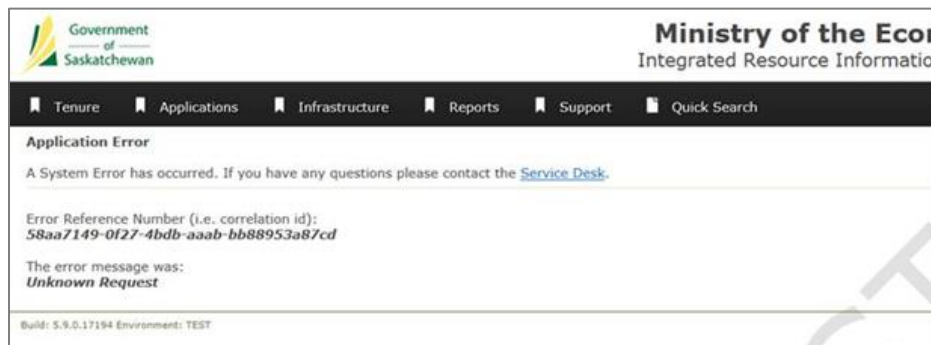

Background

Tenure acquisition reports are currently unavailable in IRIS. Industry is encouraged to use the following workarounds until a permanent fix can be implemented.

Issue

There are currently two issues impacting tenure acquisition reports (Reports>Tenure Acquisition):

1. The link to 'Public Offering Bid Submission' report, under the 'Public Offering' header, is no longer visible.
2. When a user attempts to download either the 'Posting Request Applications' or the 'Public Offering Schedule Listing' reports under the 'Posting Requests' header, they receive an error message:

Action

'Public Offering Bid Submission' and 'Posting Request Applications' Reports Workaround

There are two options:

1. After entering bids or creating the posting request in IRIS, but before submitting it to the Ministry of the Economy, users can take screenshots of the review screen.
2. Print the review screen before submitting either the bid submission or the posting request.

'Public Offering Schedule Listing' Reports Workaround

The public offering schedule and related information can be found on www.saskatchewan.ca at: <http://www.saskatchewan.ca/business/agriculture-natural-resources-and-industry/oil-and-gas/crown-land-sales-dispositions-and-tenure/public-offerings/schedule-of-crown-land-sales>.

Questions?

Contact Petroleum Tenure Services at 1-844-787-8695 or petlands@gov.sk.ca with any questions or concerns.
