Programs:

Treasure Quest

We will be learning to use a compass to take us on a fun treasure hunt around the park. Great for all ages as long as young children are accompanied by an older sibling or parent. Watch white boards and posters for more details on locations and dates

Spy Kids

This is a learn to geocache program with a fun mystery twist. We will be using GPS units to do a "scavenger hunt" around the park. Watch white boards for more detail on location and dates

Crafts

Join us at the Beach Picnic Shelter for fun nature crafts. All ages.

Nature Explorers

Join park staff for an interesting and fun morning of activities, short hikes and crafts all about nature. Watch white boards and posters for information on location and what we will be doing that day. Geared toward Children ages 5-12.

Games

A variety of games for all ages will be available. Come out and have fun!

Hike to the Dunes

Visit the natural sand dunes and learn more about this amazing ecosystem. Be sure to bring water and wear proper shoes. This hike will be about 2 hours in length. Meet at the old Nature Centre across the highway.

Kites and Butterflies

Join us in the overflow area to fly some kites and learn about the cool butterflies we have in the park.
