provided that where the minister is satisfied that the failure to keep such mill or mills in operation for at least three months in any year is attributable to an Act of God, he may, for such period as he considers reasonable, relieve the licensee from compliance with the provision, but upon the expiration of the prescribed period the licensee shall comply with such provision unless he is again relieved therefrom by the minister;

(b) to pay in advance, in addition to the bonus or bid, such annual ground rent as is fixed by the regulations and in addition thereto, to pay in cash, at each time of making the returns prescribed in clause (d), such dues as are fixed by the regulations;

#### **Withdrawal of portion of timber berth from licence after notice**

**28(1)** When, in the opinion of the minister:

- (a) any portion of a timber berth has not a sufficient quantity of the kind and dimensions of timber specified in the licence for such berth to make it profitable to remove the timber thereupon; and

- (b) such portion is not necessary for the proper working of the remainder of the berth;

the minister may, upon the expiration of sixty days after notice in writing of the proposed withdrawal has been given to the licensee or his legal representative, withdraw that portion from the berth.

- (2) Upon the withdrawal of any portion of a timber berth, the rental to be paid under the licence shall be reduced in proportion to the area withdrawn.

R.S.S. 1940, c.39, s.26; R.S.S. 1953, c.46, s.28.

twelve inches in the case of white spruce;

 twelve inches in the case of tamarack;  
 eight inches in the case of poplar;

when measured four and one-half feet from the ground, and the conditions and restrictions of the licence, agreement or permit or any renewal thereof shall be read as modified accordingly.

(2) Nothing in subsection (1) applies to the cutting of such timber as may be necessary for the construction of roads or other works to facilitate the taking out of merchantable timber, or to the cutting of timber killed or damaged by fire, wind, insects or fungi or required to be removed for the improvement or development of a stand of timber or for other silvicultural reasons and which is specified in the licence, agreement or permit or marked or otherwise designated by an officer for cutting.

**Forfeiture of licence or permit**

**32(1)** Every licence, permit or area shall be liable to forfeiture on the order of the minister for violation of any of the conditions to which it is subject or for a fraudulent return.

(2) Before making an order for forfeiture the minister shall cause written notice to be given to the licensee, permittee or purchaser of his intention so to do, upon grounds set forth in the notice, unless within ninety days after service of the notice the licensee, permittee or purchaser shows cause to the contrary as provided in this section.

(3) Service of such notice may be effected by mailing it, duly registered, to the address or the last known address of the licensee, permittee or purchaser, and in such case shall be deemed to have been made upon the day on which the notice reached the said address or in due course of mail should have done so.

(4) The licensee, permittee or purchaser may within the said period of ninety days apply by petition to the judge of the district court for the judicial district in which the lands are situated, for an order declaring that there is no sufficient cause for the forfeiture of his licence, permit or area.

(5) Upon the filing of the petition the judge shall appoint a time and place for the hearing, and shall give directions for service upon the minister, and upon any other persons interested, of a copy of the petition and of a notice of the time and place appointed.

(6) At such time and place, or at any other time and place to which the hearing is adjourned, the judge shall hear and dispose of the matter of the petition in a summary way, and by his order shall determine whether or not there is sufficient cause for the forfeiture, and, if he finds in the affirmative, what such cause is.

(7) The order of the judge shall be subject to appeal in like manner as his decision upon the trial of an action, and he shall have the same jurisdiction as to costs and otherwise as in matters in court under his jurisdiction.

(8) Pending the final disposal of the petition the minister shall not exercise the power of forfeiture.

R.S.S. 1940, c.39, s.29; R.S.S. 1953, c.46, s.32.

#### **Lien of Crown for dues**

**33(1)** All dues on timber cut within a timber berth or under a timber sale agreement or under a permit which are not paid at the time when they are payable shall bear interest at the rate of seven per cent per annum until paid, and shall be a lien on any timber cut within the berth or under the agreement or permit.

(2) Where such sums are overdue and unpaid, whether in consequence thereof the licence of the berth or the timber sale agreement or the permit has or has not been cancelled, an officer or any person authorized by the minister may seize so much of the timber cut on the berth or under the sale agreement or under the permit as will, in his opinion, be sufficient to secure payment of the dues, the interest thereon, and the expenses of seizure and sale, and may detain the timber as security for payment.

(3) Where timber has been seized under subsection (2) and payment is not made within one month after the seizure, any officer acting under instructions from the minister may sell the same by public auction, in which case, after deducting the sum due, the interest thereon and the expenses of seizure and sale, he shall pay over the balance, if any, to the licensee, purchaser or permittee, if the timber was in his possession at the time of seizure, or, if it was not, to the person who had possession thereof at that time:

Provided that, if a bid is not made at the auction amounting to the sum equal to the claim against the licensee, purchaser or permittee, the timber may be disposed of by private sale.

R.S.S. 1940, c.39, s.30; R.S.S. 1953, c.46, s.33.

#### **Timber liable for dues**

**34(1)** All timber cut under licence, sale agreement or permit shall be liable for the payment of the dues thereon, whenever and wherever the timber, or any part of it, is found, whether it is or is not converted into deals, boards or any other manufacture of wood; and all officers or agents employed in the collection of such dues may follow the timber and may seize and detain it wherever it is found until the dues thereon are paid or secured as provided in section 33.

(2) No unmanufactured saw-logs, with respect to which the Crown dues or royalties have not been paid, shall be removed out of the province without the written approval of the minister, and as a condition to such approval the minister may require the licensee, purchaser, permittee or applicant, as the case may be, to furnish a bond in such amount as the minister may determine guaranteeing payment of the dues on such timber.

R.S.S. 1940, c.39, s.31; R.S.S. 1953, c.46, s.34.

**Enforcement of payment in case of removal out of Saskatchewan**

**35** If payment of the dues on any timber has been evaded by removal of the timber or the products thereof out of Saskatchewan, or otherwise, the amount of the dues, and any expenses incurred in enforcing payment, may be added to the dues remaining to be collected on any other timber cut on any timber berth by the licensee or purchaser under sale agreement or cut under permit by the permittee, or by authority of the licensee, purchaser or permittee, and may be levied on such timber and collected, together with the last mentioned dues, in the manner hereinbefore provided. The amount due of which payment has been evaded shall also be recoverable by action or suit, in the name of the minister or his agent, in any court of competent jurisdiction.

R.S.S. 1940, c.39, s.32; R.S.S. 1953, c.46, s.35.

**Notes may be taken without affecting lien**

**36** The minister may take or authorize the taking of promissory notes for any money due to the Crown by a licensee, purchaser under sale agreement or permittee, or in his discretion, of bonds for not less than double the amount of any dues, and the penalties and costs incurred, and may, if it is under seizure, then release any timber upon which the debt would be leviable; but the taking of such notes or bonds shall not affect the right to enforce payment of the debt, and the debt shall be a lien on any timber cut by the licensee, purchaser or permittee or by his authority, if the sums for which or to secure which the notes or bonds are given are not paid when due.

R.S.S. 1940, c.39, s.33; R.S.S. 1953, c.46, s.36.

**CUTTING HAY OR TIMBER WITHOUT AUTHORITY****Cutting hay or timber without authority**

**37(1)** If any person, without authority, cuts or employs or induces any other person to cut or assist in cutting, hay or timber on provincial lands, or removes or carries away, or employs or induces or assists any other person to remove or carry away, hay or timber so cut, he shall not acquire any right to such hay or timber, or any claim or remuneration for cutting it, preparing it for market, or conveying it to or towards market.

(2) When hay or timber, cut without authority, has been removed out of reach of the officers, or it is otherwise found impossible to seize it, the person so acting without authority is, in addition to the loss of his labour and disbursements, liable to a penalty not exceeding \$3 for each tree or load of hay which, or any part of which, he is proved to have cut or removed or carried away, or assisted to cut or carry away or employed or induced any other person to cut or carry away; and such sum shall be recoverable, with costs, at the suit and in the name of the Crown, in any court of competent jurisdiction.

(3) In suits for penalties under subsection (2) the burden of proof of authority to do the thing charged shall lie on the person charged; and the averment of the person seizing or prosecuting, that he is employed under the authority of this Act, shall be sufficient proof thereof, unless the defendant proves the contrary.

R.S.S. 1940, c.39, s.34; R.S.S. 1953, c.46, s.37.

**Power to seize hay or timber unlawfully cut**

**38** If an officer receives satisfactory information that hay or timber has been cut, without authority or without proper observance of the regulations or the conditions of the licence, sale agreement or permit on provincial lands, or is aware that hay or timber has been cut, without authority, or without proper observance of the regulations or the conditions of the licence, sale agreement or permit on such lands, he may seize, or cause to be seized in Her Majesty's name, the hay or timber so reported or known to be cut, wherever it is found, and place it under proper custody until the matter is decided by competent authority.

R.S.S. 1940, c.39, s.35; R.S.S. 1953, c.46, s.38.

**Case of mixtures**

**39** If the hay or timber reported or known to have been cut without authority, has been made up with other hay or timber, or been so mixed up with other hay or timber as to render it impossible or very difficult to distinguish the hay or timber so cut without authority from the other hay or timber, the whole shall be held to have been cut without authority, and shall be liable to seizure and forfeiture accordingly, unless the holder separates, to the satisfaction of the officer, the hay or timber cut without authority, from the other.

R.S.S. 1940, c.39, s.36; R.S.S. 1953, c.46, s.39.

**Detention in case of doubt**

**40** If an officer is in doubt as to whether hay or timber has been cut without authority, or is liable to dues to the province, on the whole or any part thereof, he may inquire of the person or persons in possession or in charge of the hay or timber, as to when and where the same was cut; and if no satisfactory explanation, on oath or otherwise, as he requires, is given to him, he may seize and detain such hay or timber until proof is made to the satisfaction of the minister, or of any officer specially authorized by the minister, that the hay or timber was not cut without authority, and is not liable, either in whole or in part, to dues of any kind; and if such proof is not made within thirty days after such seizure, the hay or timber may be dealt with as hay or timber cut without authority, or on which dues have not been paid, according to the circumstances of the case; and the dues thereon may be recovered as hereinafter provided.

R.S.S. 1940, c.39, s.37; R.S.S. 1953, c.46, s.40.

**Release on giving bond or security**

**41** If hay or timber, or any product thereof, is seized under the provisions of this Act by an officer, he may allow such hay or timber, or product thereof, to be removed and disposed of, on receiving sufficient security, to his satisfaction, for the full value thereof, or, in his discretion, a satisfactory bond for payment of double the amount of all dues, penalties and costs, incurred or imposed thereon.

R.S.S. 1940, c.39, s.38; R.S.S. 1953, c.46, s.41.

**Forfeiture and sale of hay or timber seized**

**42(1)** Hay or timber seized under this Act shall be deemed to be forfeited unless the owner thereof, or the person from whom it was seized, within one month from the date of seizure, gives notice to the seizing officer or to the minister that he intends to contest the seizure.

(2) If:

- (a) the claimant having given such notice, does not, within fifteen days thereafter, institute proceedings before a court of competent jurisdiction to contest the seizure; or
- (b) such proceedings having been taken, the action is dismissed for want of prosecution; or
- (c) the court decides against the claimant;

the hay or timber may be confiscated, and may be turned over to the Saskatchewan Timber Board for disposition on behalf of the department or, after thirty days' notice, posted up at the place where it is when confiscated, be sold at public auction on the order of the minister.

(3) Instead of confiscating the hay or timber, the minister may impose a penalty which, in addition to all costs incurred, shall be levied thereon; and, in default of payment of the whole, on demand, he may, on fifteen days' notice, sell the hay or timber by public auction, and may, in his discretion, retain the whole proceeds of the sale or the amount of the penalty and costs only:

Provided that, if there is no bid for hay or timber put up at public auction under this section, the minister may dispose thereof by private sale.

#### **Burden of proof on claimant**

**43** If hay or timber is seized for non-payment of dues or for any cause of forfeiture, or a prosecution is instituted for a penalty or forfeiture under this Act, and any question arises as to whether the dues have been paid or whether the hay or timber was cut on other than provincial lands, the burden of proving payment, or of proving on what land the hay or timber was cut, shall lie on the owner or claimant thereof.

R.S.S. 1910, c.39, s.40; R.S.S. 1953, c.46, s.43.

#### **Officer may call in assistance**

**44** An officer seizing hay or timber in the discharge of his duty under this Act may, in the name of the Crown, call in any assistance necessary for securing and protecting the hay or timber so seized.

#### **Homesteader selling timber**

**45** Any holder of an entry for a homestead who, previous to the issue of the letters patent, sells any of the timber on his homestead to anyone other than a settler for his own exclusive use, without permission previously obtained from the minister, is guilty of an offence and liable on summary conviction to a fine not exceeding \$100, and the timber so sold shall be subject to seizure and confiscation in the manner hereinbefore provided.

## PART III

**Provincial Forests****Land in provincial forests not to be sold, leased, etc.**

**46(1)** In order to reserve certain areas in the province for a perpetual growth of timber, and to preserve the forest cover thereon, which regulates stream flow, and to provide for a reasonable use of all the resources which the forests contain, all provincial lands within the respective boundaries of the provincial forests mentioned in the schedule to this Act are hereby withdrawn from disposition, sale, settlement or occupancy, except under the authority of this Part or of regulations made thereunder.

(2) Notwithstanding anything contained in subsection (1) the Lieutenant Governor in Council may withdraw from a provincial forest any land having a historical interest or required for the purpose of subdividing the same into lots for residential or business purposes or both.

(3) Where provincial lands within the boundaries of a provincial forest have been sold prior to its establishment as a provincial forest, and the letters patent by which they were sold contain an error in the name, place of residence or occupation of the purchaser, or in the description of the lands, the minister may, there being no adverse claim, direct the defective letters patent to be cancelled and letters patent to be issued with such corrections or alterations as he may deem necessary.

(4) All statutory road allowances, surveyed roads, streets, lanes and public reserves between or within parcels of land contained in a provincial forest shall for purposes of forest administration be deemed to be part of the forest, subject to the provisions of *The Highways and Transportation Act* respecting public highways and subject to the exercise of the powers conferred on a rural municipality by *The Rural Municipality Act*, or on the Minister of Municipal Affairs by *The Local Improvement Districts Act*, with respect to the construction, repair and maintenance of roads, lanes, bridges and culverts.

(2) The minister shall, for the purposes of this Act, have in addition to the powers therein enumerated all the powers conferred upon the Minister of Public Works under *The Public Works Act*; and the provisions of that Act shall apply, with the necessary changes, to proceedings under this Act, including the payment and determination of compensation for property taken under the compulsory powers herein conferred.

(3) Notwithstanding anything in this Act, the Lieutenant Governor in Council may cause to be established through and over any provincial forest such roads as are necessary for the convenience of the public, and nothing in this Act or in any regulation made hereunder shall prevent the proper use of such roads by *bona fide* travellers or by others requiring to cross such forest in pursuit of their ordinary business or calling; but nothing in this section shall operate to withdraw such roads from the provincial forest.

(4) Where he deems it expedient to do so, the minister may close up the whole or any portion of any road established under subsection (3).

**49** Except as herein provided, this Part does not apply to any lands within the boundaries of a provincial forest the title to which is not vested in the Crown; and nothing in this Part shall affect or prejudice any right or interest which has been acquired prior to the establishment of the provincial forest within which such right or interest has been acquired, under any lease or licence for cutting timber for any purpose in respect of any lands within a provincial forest:

Provided that when any land in respect of which a lease or licence to cut timber has been granted, does not contain or has become denuded of merchantable standing timber, such land may thereupon be withdrawn from such lease or licence upon notice to the lessee or licensee.
