

TRANSPORTATION PARTNERSHIPS FUND

FINANCIAL STATEMENTS

For the Year Ending March 31, 2015

INDEPENDENT AUDITOR'S REPORT

To: The Members of the Legislative Assembly of Saskatchewan

I have audited the accompanying financial statements of the Transportation Partnerships Fund, which comprise the statement of financial position as at March 31, 2015, and the statement of operations and change in net assets and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards Treasury Board's approval, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Transportation Partnerships Fund as at March 31, 2015, and the results of its operations and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Regina, Saskatchewan

TRANSPORTATION PARTNERSHIPS FUND
NOTES TO THE FINANCIAL STATEMENTS
March 31, 2015

1. Authority and Definition of Entity

The Transportation Partnerships Fund (Fund) was established effective July 1, 1997 pursuant to Section 8 of *The Highways and Transportation Act, 1997*. The purpose of the Fund is to generate revenues to be used for highway improvement projects. The Fund generates revenues subject to the terms of trucking partnership agreements in which the transportation companies pay the Fund a portion of cost savings achieved from being able to haul overweight and/or over-dimension loads. Additional revenues are raised through issuing permits and the marketing of transportation related technology and expertise.

The Fund is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards. The Fund maintains a system of accounting and administrative controls to ensure that accurate and reliable financial statements are prepared and to obtain reasonable assurance that transactions are authorized, assets are safeguarded, and financial records are maintained.

Treasury Board approves the Fund's budget annually. The budget amounts presented in these financial statements are based on the budget approved by the Treasury Board.

2. Significant Accounting Policies

Pursuant to standards established by the Public Sector Accounting Board, the Fund is classified as an "other government organization". The financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards as recommended by the Public Sector Accounting Board. The Fund did not have any re-measurement gains and losses, therefore, a statement of re-measurement gains and losses has not been provided. A statement of changes in Net Financial Assets has not been prepared as the information is readily apparent from the financial statements. The following accounting principles are considered significant:

- a) Revenue recognition –
 - I. Transportation Partnerships Agreement revenue - recognized in the period the truck haul savings and fees are realized and pursuant to Transportation Partnership Agreements with transportation companies, a portion of revenue received is used for highway improvement projects on specified highways.
 - II. Transfers are recognized as revenue when the Fund has met the eligibility criteria, if any, and a reasonable estimate of the amount can be made.
- b) Use of estimates –

These principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ

from those estimates. Differences are reflected in current operations when identified.

- c) Financial assets and liabilities –
The Fund's financial assets and liabilities include due from General Revenue Fund, accounts receivable, loans receivable less concessionary allowance, accounts payable and deferred revenue. These financial instruments are valued at amortized cost.

3. Due from General Revenue Fund

The monies of the Transportation Partnerships Fund are deposited in the General Revenue Fund. Under this arrangement, earned interest is calculated and paid by the General Revenue Fund on a quarterly basis using the Government's thirty day borrowing rate and the Transportation Partnerships Fund's average daily bank account balance. The effective interest in the year was 0.92% (2014 – 1.02%).

4. Related Party Transactions

These financial statements include transactions with related parties. The Fund is related to all Saskatchewan Crown agencies such as ministries, corporations, agencies, boards and commissions under common control of the Government of Saskatchewan. Also, the Fund is related to non-Crown agencies that the Government jointly controls or significantly influences. These transactions are in the normal course of operations and are recorded at agreed upon exchange amounts.

Expenses	2015	2014
Ministry of Highways and Infrastructure	\$ 50,000	\$ 50,000
SaskPower Corporation	53,280	\$ -
Total	\$ 103,280	\$ 50,000
Revenues - Transportation Partnership Agreement	2015	2014
Meadow Lake OSB Limited	34,768	31,770
Ministry of Highways and Infrastructure	200	2,200
SGI	116,949	122,038
SaskPower Corporation	2,000	-
Total	\$ 153,917	\$ 156,008
Accounts Receivable	2015	2014
Meadow Lake OSB Limited	\$ 527	\$ 124
Total	\$ 527	\$ 124

Highway improvement projects undertaken by the Fund are repairs and betterments to assets of the Ministry of Highways and Infrastructure. Projects of a capital nature totaling \$1,327,309 (2014 - \$592,177) were transferred by the Fund to the Ministry. The Ministry records and amortizes these assets based on Ministry capitalization policies and thresholds.

5. Contractual Obligations

The Fund has entered into contractual obligations to complete highway construction projects which are expected to be paid in the following fiscal years.

Contractual Obligations	2016	2015
Venture Construction	\$ 573,000	\$ -
Anderson Rental & Paving Ltd		729,825
Tetra Tech EBA Ltd		55,517
Whiteford Construction Ltd		385,000
Total	\$ 573,000	\$ 1,170,342

6. Loans Receivable Less Concessionary Allowance

The Fund provided loans of \$0 in 2015 (2014 loans - \$0; Total loans advanced to date - \$3.293 million) in financial assistance to eligible Short Line Railway companies under *The Railway Line (Short Line) Financial Assistance Regulations*. The loans are interest free and to be paid back over 15 years, with the first repayment due in the fourth year.

The loans are accounted for as a discounted loan on the Statement of Financial Position. Due to the concessionary nature of the loan, the Fund recognized a discount of \$0 in 2015 (2014 - \$0). A concessionary allowance has been recorded and will be amortized to revenue over the term of the loan. The total concessionary allowance balance is \$336,492 in 2015 (2014 - \$415,154).

No valuation allowance was established in the current year. An allowance will be recorded if at any point the loan is not considered payable in full.
